## HERE WE RECOMMEND STANLEY SECURITY

### A PIONEER IN RESIDENTIAL AND COMMERCIAL SECURITY

Stanley Security was the first to introduce to the market the smoke detector connected to a remote monitoring centre. Stanley Security is currently one of the largest companies in the security industry in Canada. Stanley Security currently operates two ULC\* monitoring centres, serving customers 24/7 in both official languages in Canada. Stanley Security owns offices across Canada to ensure a complete coverage across the country.

### STANLEY SECURITY WARRANTY

#### PEACE OF MIND GUARANTEED WITH STANLEY SECURITY

Stanley Security wants to ensure that your experience with us is flawless. That's why our Stanley warranty\*\* offers a wide range of benefits:

##### › SATISFACTION GUARANTEED

In case you are not satisfied with our system, we commit to take back our equipment for a full refund, providing you notify us in writing within the first 60 days of the commissioning of the system.

##### › REFUND OF INSURANCE DEDUCTIBLE

We commit to reimburse the insurance deductible against theft up to \$250 in the event of a burglary in your residence equipped with a burglar alarm. This refund will increase to \$500 if the same system was armed at the time of the event. Based on a 60-month term.

##### › FREE REINSTALLATION

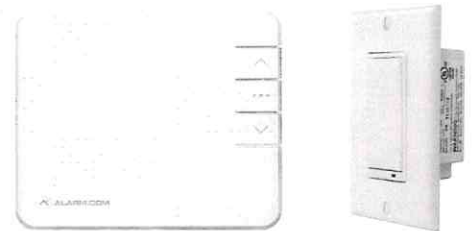

If you move during the period covered by the contract, we offer you the opportunity to transfer and reinstall your system for free in your new residence.

##### › JOB LOSS PROTECTION

If you lose your job, we offer the possibility to suspend your billing without penalty for a maximum of 12 months.

##### › WARRANTY PARTS AND LABOUR

With Stanley Security, the installation, parts and labour are covered by the warranty, which is valid for the duration of the contract.
